

LEMMY

CONCRETE FINISH

URBAN CHIC WITH WARM METALLIC UNDERTONES

FEATURES & BENEFITS

- Metropolitan warmth with a hint of an industrial aesthetic.
- The intimate emotion of metal oxidation in neutral shades of gray and charcoal.
- Incredibly high breakage loads, up to 3,000 pounds
- High density and ultra-low absorption rate creates a tight surface texture and fends off surface mold, moss, dirt and other types of stains
- Modular for faster installation,
- Unaffected by alkalis, most acids, chemical agents, salt and other de-icing materials.
- Can be cleaned with normal household cleaners and even pressure washed with a low pressure washing device.*
- Structured top textures create non-slip surfaces.
- Freeze thaw resistant—100% frost-free and properties remain unaltered at temperatures ranging from -51.1° to + 60° C (-60°F to +140°F).

* It is important that all pressure washing of your porcelain pavers be done with a low pressure washer with a maximum of 1600 psi and nothing more powerful. When pressure washing your installation, care should be taken to prevent damage to the grout (adhesive and grout installations) and some re-sanding will be necessary when power washing an installation with sand or polymeric sand joints.

MIRAGE
Porcelain. Design. Sustainability

ESTIMATING CHART

	GROSS WEIGHT/ BOX	PIECES/ BOX	SQ FT/ BOX	BOXES/ FULL PALLET	SQ FT/ PALLET	WEIGHT/ PALLET	
32 X 32	31.42 x 31.42 x 3/4	65.48	1	42	289.33	6.89	2751
