

**Design Notes:**

1. Cross section as shown is suitable for pedestrian and light vehicular applications. Contact Belgard Commercial for product selection guidance based on the intended traffic loading.
2. Depth of base, and thickness of concrete slab, subject to site specific conditions (traffic loading, soil conditions, groundwater levels, climatic conditions). Contact Belgard Commercial for design assistance.
3. A setting bed bond coat can be used to provide better adhesion to the underlying concrete base.
4. Install mortar setting bed and joints in conformance with Laticrete's installation guidelines.
