TECHNICAL SPECS

- Manufactured on the first Hermetic Press in North America
- High-density and flexural strength
- Meets ASTM point load testing for pedestal mount
- True-to-size with dimensional precision for clean lines and joints
- Available in three sizes with smooth or shot blast finishes for enhanced design flexibility
- Designed for pedestal or on-grade installations in residential and commercial spaces

QUALITY FOR LIFE

Every step of our manufacturing process incorporates rigorous research, testing and quality assurance. We demand the highest quality from each of our facilities across North America. We believe in creating world-class building products that stand the test of time. See our lifetime warranty at Belgard.com/Warranty

Due to the natural materials in our products, colors may vary from those shown on the cut sheet. We recommend viewing actual product samples to ensure the perfect color and finish for each project.
