# A PAVER PALETTE

## BUILT FOR SPECIFICATION

This swatch book showcases a curated collection designed to simplify specification across markets without limiting design potential. Spanning multiple architectural paver styles and refined color families, the portfolio supports a wide range of aesthetics for pedestrian and vehicular applications. Every product features DuraFusion® Technology to deliver vibrant color, enhanced texture and long-term durability for commercial projects.

## TABLE OF CONTENTS

Due to the natural materials in our products, colors may vary from those shown in our swatch book. We recommend viewing actual product samples to ensure the perfect color and finish for each project.

## Commercial Offering

Our concrete pavers offer a range of textures including smooth, tumbled, quarried, chiseled, hand-tooled and more. Colors range from solid hues to rich tone-on-tone and multi-color blends.
